Subject solicitation is hereby amended as follows:

- a. The following "Delivery Incentive" clause is hereby added and made a part of subject solicitation.

Delivery Incentive

In order to expedite delivery, an incentive of 5% of the unit price will be paid to the contractor for each item received with at least a 25% reduction in the negotiated delivery schedule set forth in the basic contract. The Contracting Officer will make the incentive determination based on the actual receipt of the asset by the government, minus any delay beyond the control and without the fault or negligence of the contractor. A unilateral modification to the order will be issued providing additional funds and authorizing payment of the incentive, as applicable.

- b. The following "Authorization for Purchase of Long Lead Material/Components" clause is hereby added and made a part of subject solicitation.

Authorization for Purchase of Long Lead Material/Components

In support of clause "First Article/Prototype Testing Procedures" authorization is granted for material/components to be acquired prior to first article/prototype approval. This authorization is granted for long lead material/components applicable to the initial production quantity of 11 each only. The contractor is to provide a list of material/components to be acquired to first article/prototype approval in the space below.
